# Pastoral Reflection

## Looking Ahead...

Dear Friends,

Have you noticed that the days are getting longer?

There is a scientific explanation for this: the changing of the seasons, the orientation of the earth to the sun, and so on; but there is a theological explanation as well. We call it "Lent."

The word "lent" comes for the Old English word "lencten" meaning the lengthening of the days in spring. According to the church calendar, beginning as early as the 4th century, it is a period of 40 days plus six Sundays which lead from Ash Wednesday to the Easter day!

Traditionally, Lent is a period of discipline, reflection and abstinence in imitation of Christ's self-denial and in preparation for the celebration of Easter. It is a time for us to prepare ourselves for the resurrection life we find in Christ, and since every Sunday is a "little Easter," the six Sundays are not counted in the "Lenten fast."

So, how will you "prepare" for the Easter celebration during Lent?

Some of us will "give something up." Others of us will "add something on." As we do so, let these "disciplines" be something more than merely a change in our routines, but rather spiritual reminders of what Christ has done for us.

As a church family we invite you to join us for:

An Ash Wednesday service on March 6, at 7:00p in McKee Chapel. Together we will enter into our Lenten preparation in a service of worship, meditation, communion and the imposition of ashes.

A Service of Prayer and Healing on Sunday, March 10, at 12:00p in McKee Chapel. Even as we pray weekly in our regular services of worship for the needs of those who are sick, this will be a special time of prayer for healing and wholeness, for ourselves and others, including the anointing of oil for those who desire it, as prescribed in James 5:13-16.

Then looking farther ahead:

Palm Sunday (April 14) - Regular services of worship

Maundy Thursday (April 18) - Worship with communion at 7:00p

Good Friday (April 19) - Service of Tenebrae (darkness) at 7:00p with special music beginning at 6:30p

Easter Sunday (April 21) - Worship services at 7:30a, 9:00a and 11:00a

Even as we enjoy the coming of Spring and the lengthening of the days, let us also recognize and celebrate the goodness of the Lord!

*"The heavens are telling the glory of God; and the firmament proclaims His handiwork."*  
Psalm 19:1

I look forward to worshipping with you throughout this Lenten season.

# Meet Pat Carlson

Story by Camille Cantwell

When Pat Carlson moved to Indianapolis three years ago, she and her husband, Scott, had just retired from the ministry and looked forward to welcoming their first grandchild. They had no idea it would also lead them to Tab, the same church Pat's grandparents, Milford and Lillian Schueler, joined back in 1952. "I was so close to my grandparents," she said, so the discovery of her connection to Tab was a confirmation of God's hand in bringing them here.

Pat's connection to Tab did not end with her grandparents. Pat was born and raised in Bloomington, Illinois. Her parents attended Second Presbyterian Church in Bloomington and were good friends with Kristin Gable's parents. "So basically, I've known Kristin since I was a baby," Pat said.

Pat and Kristin attended church events together, including a junior high church camp in Lake Geneva where Pat discovered another connection to Tab: Sarah Butler was a camp counselor and Bruce McDonald a camper! Pat made the decision to follow Christ while attending her high school youth group and remained in touch with the Gables over the years. "Scott and I have known John since John was at Hanover," she explained.

Pat met Scott at Illinois Wesleyan University but later transferred to Northwestern in Evanston to be closer to Scott who moved to Chicago to attend seminary. She graduated in 1977 with a bachelor's degree in Education. That same year she and Scott married, and they moved to a rural town of 300 in central Illinois. Over the next 39 years, she lived in seven different towns within Central Illinois. During those years, Pat earned her master's degree in Library Science at the University of Illinois in Champaign.

Pat and Scott have three children, Laura, Paul and Tim. While raising their children, Pat occasionally used her teaching degree as a substitute teacher, a parent-educator and a Title One reading teacher. However, her favorite job was a middle school librarian. In 2016, they decided to move to Indianapolis to be close to Laura and her husband, Eric, who are both public school teachers. Pat cares for their girls, Stella and Lucy during the school year.

Although Pat's connection to Tab was significant, it was not the only reason she decided to join Tab. "We met a lot of people at Tab and the people spent a lot of time welcoming us," she explained. "It was remarkable and really made a difference."

Pat is currently on the Deacon Board and this year became the Vice-Moderator. She was not often part of church committees, so when asked to become a deacon, she thought it would be a good experience. She agreed to be the vice-moderator because she thought it was a job she could do and still focus on her main calling of taking care of her grandchildren. "It sounded fun and I wanted to do something different, something I've never done before," she said.

Still, her main job is to care for her grandchildren which she plans to do for the long-term. "It's a gift to have a relationship with them and important that my grandkids have a connection with their family," she said.

Pat's friendship with Kristin is a gift as well. Their moms both live in the same independent living facility in Bloomington, Illinois. Knowing Kristin all these years has given her a family connection that has lasted since birth, and now one that includes all of us - their church family at Tab.

## Hanover College Concert Choir

The Hanover College Concert Choir and Chamber Singers will offer two presentations of their spring program in March before embarking on a unique two-week tour of Bulgaria in May.

The spring concerts will feature a repertoire that includes sacred and secular works from the contemporary American Protestant choral tradition, as well as Bulgarian and Russian Orthodox choral compositions and folk songs.

The College's ensembles, under the direction of Madlen Batchvarova, D.M.A., will debut the program Sunday, March 24, at 4:00p at Tabernacle Presbyterian Church.

"The Hanover College Choir could not be more excited for our busy concert season," said senior Jake Zurschmiede. "We are incredibly glad to have the opportunity to showcase all of our hard work in performances on-campus and in Indianapolis. The selected repertoire for this semester is special."

Plan to join us for this very special event on Sunday, March 24! (A free dinner and opportunity to fellowship with the students will be provided for all concert-goers immediately following the concert.)

# For Generations to Come: Tab's Endowment Fund

By Steve Weyreter, President of the Endowment Fund Committee

## **Why and when was Tab's Endowment Fund created?**

In 1951, under the leadership of Dr. Roy Ewing Vale, Tab's Senior Pastor, the Session established the Tabernacle Presbyterian Church Endowment Fund of Indianapolis, Indiana. Dr. Vale said, "In such a Church as ours an Endowment Fund means life, vigor and usefulness for generations yet to come. Therefore, it is only wise to establish a large endowment fund, the income from which will maintain or substantially aid to maintain the building and provide basic salaries." A financial endowment is a donation of money or property to a nonprofit organization which uses the resulting investment income for specific purposes. Usually, the endowment is structured so that the principal amount is kept intact, while the investment income is available for use or part of the principal is released each year. This allows for the donation to have an impact over a longer period of time. The goal of endowment managers is to sustainably grow the endowment by reinvesting assets and encouraging additional donations to the endowment, while also contributing to the operating cost of the institution and its goals.

## **How does the Tab Endowment Fund function?**

I like to think about Tabernacle Presbyterian Church's "operating fund" as a checking account and "endowment" as a savings account. All of the contributions throughout the year to Tab's "checking account" are used to support the annual budget established by the Session. All of the contributions since 1951 to the Endowment Fund "savings account" are used a little each year, with majority funds held in perpetuity for two purposes. First, each year the Endowment Fund contributes 3-5% of all of the Endowment assets to Tab's "checking account" to support the operations of the church. This makes up about 16% of Tab's annual budget. This helps pay salaries and fund our varied ministries. Secondly, the Endowment Fund contributes significantly to maintaining and improving Tab's facilities. When a large expenditure is needed, something larger than can be funded through the annual budget such as repairing the roof, windows, recreation stadium or parking lot repairs, the Endowment provides funds for these kinds of needs. Assistance from the Endowment also kept church operations going during the years of problematic budgets before Pastor Gable's arrival in 2007. The Endowment does not fund any other organization. One hundred percent of all of the Endowment's assets go to Tabernacle Presbyterian Church.

## **How does the Endowment Fund get the assets to begin with?**

Assets are contributed by members, primarily in two ways. First, Tab members write the Tab Endowment Fund into their will. When they pass away, assets such as cash, charitable remainder trusts, gift annuities, retirement assets, IRA assets and real property are given to the Endowment. Secondly, while a member is still alive they create a fund with the Endowment starting with a donation. The donor can specify how their gift is to be used and at any time during their life, they can add to their fund. Whenever you contribute to the Endowment, you can "restrict" your gifts to support a specific cause, or leave them "unrestricted" for general use. All donations are tax deductible.

## **How much is in the Endowment Fund and how can I find out more?**

Today, our Endowment Fund assets total about \$ 7.3 million. While this may seem like a lot of money, it varies each year as asset values change as do the needs of the church. Watch for communication from the Endowment in the coming months to learn how you can contribute to the "life, vigor and usefulness" of Tab and God's work at 34th and Central for generations to come. If you have specific questions contact Steve Weyreter, Endowment Fund President, at [sweyreter@majortool.com](mailto:sweyreter@majortool.com) or Sue Anne Gilroy at [sueannegilroy@gmail.com](mailto:sueannegilroy@gmail.com).

### ONE-DAY INQUIRERS' CLASS - SATURDAY, MARCH 9

### SERVICE OF PRAYER AND HEALING

In the letter of James, we read, *"Are any among you suffering? They should pray. Are any cheerful? They should sing songs of praise. Are any among you sick? They should call for the elders of the church and have them pray over them, anointing them with oil in the name of the Lord."* We will be offering a service of prayer and healing on Sunday, March 10, in McKee Chapel at 12:00p and all are invited to attend. We will sing, pray, silently reflect on a passage of Scripture, then invite those who wish to be prayed for by a pastor and/or one of our elders. Those who desire may also be anointed with oil, as James instructs. Who should participate in this service for prayer and healing? Anyone who wishes to be prayed for or who desires to pray for others. Please join us!

### JACOB MINNS RECITAL

By the time you read this, leadership will have signed contracts for the 2019 parking lot redesign and renovation! There is a team already working on all of the parking/meeting logistics and you can expect greater details about this in the upcoming Tab Weekly emails and the Chimes.
