Pastoral Reflection

Just One Day in the Life of Tab!

Dear Friends,

Summer is often a time when things slow down (and I hope you have been able to enjoy some “downtime”) but things have certainly been busy this summer at Tab. Let me describe one recent Sunday...August 11.

Worship that morning was wonderful and the children sang at the 10:00a service in preparation for the Children’s Musical, “Go, Go, Jonah” the following Sunday (which by the way was WONDERFUL!). Attendance in worship and classes was good and there was “good energy” in the building.

By mid-afternoon, the newly installed field was full of men and women playing soccer while another group was playing basketball in the Gym. Meanwhile, a dozen or more people were scurrying around the Courtyard setting up for that evening’s Tab Jams; creating a stage, setting up speakers and soundboards, and doing sound checks while others set up tables and chairs for refreshments.

Tab Jams featured Staci McCrackin and an outstanding band. The Courtyard was full of about 400 Tab members, neighbors and guests who thoroughly enjoyed not only the show, but good fellowship on a beautiful evening.

As I walked toward my car at the end of the evening, the field was filled with another 75-100 men and women playing soccer from a local soccer club. As I walked I was approached by one of our neighbors who wanted to set up a time to meet to talk about Tab, and then I had a conversation with one of our long-time members who had just taken a walk around the building to see how the parking lot project was coming along. He said, “John, I’ve been here a long time and Tab has never looked better. The building and grounds are well maintained and beautiful!” I agreed! My thanks to all of you who help to make that possible.

So, as I reflected on the day that evening I found myself giving thanks for the various ministries of Tab and our health and vitality as a congregation. I am grateful for how “active and involved” we are as a congregation, and I even reflected on how it might feel to be one of our neighbors. If I was a Tab neighbor I would be grateful for the welcome we extend in worship, and for the gift that we offer in programs like Tab Jams and an open field and gym. I would even be grateful for the positive activities that are going on here which benefit not only Tab as a congregation but also the neighborhood. Good things happen where and when good things are happening. In the beauty of it all is that it was just one day in the life of Tab. Those kinds of things are going on every day.

I am grateful for the ministries and services we provide and believe they are good not only for us but for our neighbors as well, which I pray makes them beneficial for the Kingdom of God in this place.

Thanks for the part you play, and the support you give in making Tab the wonderful place it is!

I look forward to seeing you in worship soon!

Meet Cathleen Perry

Story by Paula Daum, Director of Lay Ministries

When I sat down recently to spend time with Cathleen Perry, I quickly learned how much she packs into her daily life. The fact that she handles so many various responsibilities with grace and the joy of her faith was something that I also quickly realized.

A native of Cincinnati, Cathleen met her husband, David, when she was growing up. They shared the same piano teacher as children and went to the same high school. David was a friend of her brother's, but they didn't begin dating until they both were members of her brother's wedding party. David and Cathleen recently celebrated 38 years of marriage!

Cathleen graduated from Miami University and then from law school at IUPUI. With a focus on estate planning, Cathleen spent many years working at different law firms here in Indianapolis before opening her own practice. Cathleen works from her home office, which gives her the flexibility she enjoys in also focusing on family priorities. David is an engineer, and he is retired from Eli Lilly.

Family priorities are top of mind these days for Cathleen and David. They are often on the road traveling to visit family. They provide care and support for David's father who lives in the Cincinnati area. Cathleen's mother is in memory care near Westerville, Ohio so they regularly visit her, as well as Cathleen's twin sister who lives nearby.

In addition to being actively involved in caring for their parents, Cathleen and David have three grown sons. Brian and his wife Katie live in Goshen, Indiana, and are parents to three young children - one boy and two girls. After raising three sons, Cathleen lovingly refers to the granddaughters as a "kiss from God!" Their son Andrew lives in Chicago and is an occupational therapist, and son Neil, an engineer, lives in Oakland, CA.

Cathleen and David have shared a lifelong love of music, and both are members of the Sanctuary Choir. In addition to music, Cathleen has used her talents to volunteer in many ways. She has participated as a tutor through Tab Tutoring. She's also offered her time and talents in

volunteering for the Neighborhood Christian Legal Clinic, Kaleo, and the Salvation Army's Block of Hope. She has a passion for mission work and has been a supporter of several of Tab's international missionaries, as well as taking mission trips herself and offering support for family members who work in the mission fields. Cathleen is also currently a member of the Endowment Fund Trustees for Tab. Some of Cathleen and David's great treasures, new and old, have come through their Tab family.

Despite such a busy schedule and many commitments, you quickly learn through conversation with Cathleen that her faith has always - and has continually - sustained her. In her own words, Cathleen notes that "the Word is alive in all seasons of our life. It falls fresh. The place where He is the sweetest is when we are in trial. It takes your breath away! The Lord is faithful through good and hard times."

Mitch Daniels, President of Purdue University

Pastor John Gable, Tab Endowment Fund Trustees, with special guest Mitch Daniels, President of Purdue University and former Governor of Indiana, invite you for lunch and discussion about the Tab Endowment and how you can make a difference.

Leaving a Legacy to Tab's Endowment Fund

Billie Porter has included the Tab Endowment Fund in her estate planning. In her case, she is leaving a designated gift for Tab Global Missions. In her own words, she tells us about leaving a legacy to the Tab Endowment Fund.

"I have been a member of Tab for a little over 30 years. My husband and I were attracted by the preaching, by the music and by the friendliness of the people. That has not changed over the years. I made a bequest to Tab's Endowment Fund because I am very interested in the financial support of spreading the Gospel to people and people groups throughout the world. My interest in foreign missions has grown, and I have always taken very strongly to heart Christ's Great Commission for his followers to go into all the world, or to help others to go into all the world to spread the Word to people who have not yet heard. The process was very straightforward and very simple. I initially spoke with my attorney who happens to be one of Tab's Endowment Fund Trustees and was given all of the information that I needed to make that bequest official. This will be in my will. I am very thankful that Tab has an Endowment Fund that I believe is managed faithfully, through which a person can leave a legacy that will be of lasting impact for the church's mission throughout the world. I would encourage any of our members to think about a gift to Tab's Endowment Fund. It can and will have a lasting impact."

If you would like more information regarding leaving a gift to the Tab Endowment Fund, contact Kristine Green, Director of Finance at kristine.green@tabpres.org.

Sign Up For Realm: Focus On Community Building

The folks in the finance and administration offices at Tab have been using Realm Church Management Software for several months now, and in the words of Director of Finance Kristine Green, "It's a hit." Realm has streamlined many of her processes in the areas of giving and membership.

Now, our Session has stepped into the realm of Realm, using it for sharing minutes, agendas and other communications. More groups are also discovering Realm. For instance, the Media Ministry volunteers for the contemporary worship service, and Women's Ministries have started using it.

How about you? Have you considered using Realm for yourself, your committees or groups? There are four benefits for using Realm:

1. **Giving:** Set up your online giving via Realm. It's easy to set up, and easy to use and change. Starting in 2020, Realm will be the only way to give recurring gifts online to Tab.
2. **Personal:** When life circumstances change (e.g.,

address, phone, births), update your own church records via Realm.

3. **Directory:** As Tab members join Realm, the church directory gets populated. Remember, folks will only see what information you want to be seen.
4. **Community:** Connect with the church-wide family, do committee and group business, send messages, chat, email, all within Realm. If you don't want to receive notifications or you're worried about getting overwhelmed with communication, just set Realm to give you fewer notices.

The church office has sent you an email invitation to join Realm. So far, more than 155 of your fellow Tab members have joined. Follow the link in the email to create your Realm account and password. Then, follow the steps to verify your account.

If you have not received an email invitation, contact Kristine Green at kristine.green@tabpres.org to confirm we have your correct email on file. She will also be glad to answer any of your questions about Realm!

New Staff - Meet Elliott McGraw!

We are pleased to welcome a new part-time custodian to the Tab family, Vardelliott McGraw (Elliott). Elliott officially joined our staff on July 25 and has been in training the last several weeks. Once completed, you will see Elliott working primarily on Mondays, Fridays, and Saturdays. A native of Indianapolis, Elliott comes to us after nine years of serving as a head custodian with the Indianapolis Public School system. His addition will not only complement our custodial services but will also allow us to have a staff presence on-site during all church activities. Please join us in welcoming Elliott to Tab!

PAUL AND THE CHURCH AT CORINTH

Through the Book of Acts and the first and second letters to the Corinthians, we know more about the church at Corinth than any other New Testament church. The long relationship between Paul and this struggling, undisciplined baby church are worth investigating, chronologically and in their full context. Though the events took place nearly 2000 years ago and half a world away, the lessons are resoundingly relevant for us today. This study will be taught by a rotation of Tab elders and leaders and teachers. Each week's session will be offered at 9:00a and 10:00a in the Parlor from September 8-December 15.

TWENTIES/THIRTIES SUNDAY SCHOOL CLASS

Sunday Young Adult Class starts again on September 8, at 10:00a in the Tabitha Room. All twenty and thirty-year-olds are welcome. At the first meeting, we'll have snacks and coffee and catch up with each other after summer break. We will have a contact list to update if you need to add or change any of your information. We will be taking suggestions for class topics, so bring ideas! Contact: Kat Gering at katherine.gering@gmail.com

WE ARE ON THE MOVE!

Women's Walk will be September 14 on the Fall Creek Trail. It is a paved trail. We will meet at 8:00a in Lincoln Square Pancake House parking lot located at 5025 E. 56th Street, Indianapolis. Parking is free. Starbucks is across the street.

Join us! Contact: Mary Dougherty at 317-696-0385 or Donna Garrett at 317-440-6628

FRESH STOP PRODUCE

Our neighbors no longer have easy access to the kind of food that will keep them healthy. But access isn't the only issue. Fresh produce and healthy meat are expensive. When you buy a \$25 Fresh Stop share, not only do you benefit, but you're helping us have more produce for those in need. If you buy at the \$6 or \$12 level, you now have an affordable array of fresh produce along with recipes and ideas for using it. Go to www.freshstop.org/tab to find out how much you pay for a share and place an order. Our dates this month are September 14 and September 28.

OLD TESTAMENT SURVEY COURSE

Rev. John Gable will be teaching an Old Testament Survey class on Wednesday evenings, beginning September 18. A light dinner will be available at 6:00p, followed by teaching from 6:30p-7:30p. Currently, there are about 60 people registered. Interested? Let John know at john.gable@tabpres.org.

TAB GLOBAL MUSIC ACADEMY

Tab's Global Music Academy is being launched this fall from 9:30a to noon, and will offer a more in-depth exploration of music and the arts. The Academy begins on Saturday, September 21, and runs through November 16. You won't want to miss their special performance on November 17 during the worship services at Tab! The fee is \$30 for the nine-week session, with discounts offered for multiple children in a family. Please contact Leah Crane 317-507-6360 or to directly register, go to www.eventbrite.com and search Tab Global Music Academy to find the link for the application and payment. Applications for scholarships are also available. The deadline for registration is September 10.

SERVICE OF PRAYER AND HEALING

In the letter of James, we read, *"Are any among you suffering? They should pray. Are any cheerful? They should sing songs of praise. Are any among you sick? They should call for the elders of the church and have them pray over them, anointing them with oil in the name of the Lord."* We will be offering a service of prayer and healing on Sunday, September 29, in McKee Chapel at 12:00p and all are invited to attend. We will sing, pray, silently reflect on a passage of Scripture, then invite those who wish to be prayed for by a pastor and/or one of our church leaders. Those who desire may also be anointed with oil, as James instructs. Who should participate in this service for prayer and healing? Anyone who wishes to be prayed for or who desires to pray for others. Please join us!

TAB RECREATION IS LOOKING FOR COACHES FOR THE 2019/2020 BASKETBALL SEASON

The season will start the last week of October and end with a tournament that will start the first week of February. No games or practices will be scheduled over Thanksgiving week or between Christmas and New Year. Time commitment/week is approximately two-hours. If you enjoy working with youth, please contact Ben Hughes at ben.hughes@tabpres.org or 317-213-4464.

The Church offices will be closed on Monday, September 2, in observance of the Labor Day Holiday.

Learning About Dining Etiquette

On August 8, our kitchen staff, James Bryant and Rhonda Kaley, along with their friends, hosted a class on dining etiquette for some students from Providence Cristo Rey High School. Our staff set up the Dining Room and cooked and served a four-course meal while the students learned about salad forks and keeping elbows off the table. The class is part of a wonderful relationship between Tab and PCRHS, which includes interns that help us out during the school year. We hope you enjoy these photos as much as the students enjoyed the class!
