Pastoral Reflection

Gratitude for Giving

Dear Friends,

It is always interesting to me that in the normal cycle of church life the stewardship appeal in support of the church's operating budget always falls in the same month as Thanksgiving, as if the two (giving and giving thanks) are somehow, inextricably, related.

Our stewardship theme this year is "Gratitude for Giving." This, too, has a double meaning. First and foremost, we are grateful to God for His gracious and generous provision to us AND we are also grateful to you, the members and friends of Tab, for your generous giving in support of our mission and ministry.

As an expression of our faith, OUR giving is in response to GOD'S giving, so we are, quite literally, "Giving in Thanks!"

It has been said that "a grateful heart extends a generous hand" and that has certainly been true at Tab. We are and have been a very faithful and generous congregation, so, citing Paul's message to the Philippians, we encourage you to "keep on doing what you have been doing." (Philippians 4:9)

As we have reported in the third quarter contribution letter we are currently running about \$60,000 behind in income to expenses. The Session and staff have done a remarkable job living well beneath our means by cutting costs and expense, so given that we are in the midst of a pandemic, with relatively few people participating in "in-person" worship, and coming off of the summer months, we believe we are in really good shape financially. Even since that third-quarter letter went out that gap has been narrowed as people have contributed to their pledge and even made additional gifts. Thank you!

Now as we look toward the 2021 operating budget we are asking you to:

1. Join us for the congregational meeting on Sunday, November 1, at 10:45 am, either in person or virtually, during which we will explain in greater detail where we stand financially year to date, income to expenses, and discuss the 2021 budget, as well as elect new elders, deacons and Endowment Fund trustees.
2. Read and review the materials you will be receiving in the mail regarding the 2021 Stewardship program and watch the videos we have produced (YouTube/Tabindy) which further explain all the ministries and programs and facility improvements that have been done during this time of separation. We have carried on our ministry and mission albeit in new and creative ways.
3. Finally, that you prayerfully consider your pledge of financial support for 2021 and return your commitment card to the church office on or before Dedication Sunday, November 22.

Please know how grateful we are to God and you for the support and provision we have been given for our ministry and mission at 34th and Central.

God's blessings and have a blessed "Thanks-Giving,"

Rev. L. John Gable

Meet Kevin & Tom Ahearn

Story by Paula Daum, Director of Lay Ministries

One thing that you discover when you get to know the members of Tab is that the connections between our Tab family members run deep. This is certainly true as I took the time to get to know Kevin and Tom Ahearn better.

Kevin and his brothers, Mark (also a member of Tab, along with his wife, Beth) and David, grew up in Indianapolis. At age 11 at Public School #106, Tab member, Sara Heitman, was one of Kevin's teachers. When he worked at a Boy Scout summer camp at age 14, Kevin first met Dan Hursh of our congregation, and the two have remained friends to this day.

Kevin is a graduate of Arlington High School and Purdue University (BA, French), and he found his niche in computer work early on. He worked for IBM for a time and lived in both Charleston and Morgantown, West Virginia. His employment with Digital Equipment (working with Joe Kukolla) brought him back to Indianapolis in 1986. Kevin married and started a family along the way. He and his former wife are the proud parents of four grown sons - Brian (& Julie in Denver), Eric (San Francisco), Tom (Indy) and Scott (Australia.)

Today, Kevin works in sales and project management as an entrepreneur. He sells and installs ergonomic fixtures for computers in hospitals...and an occasional desk. Check out John or Oscar or Terri's office.

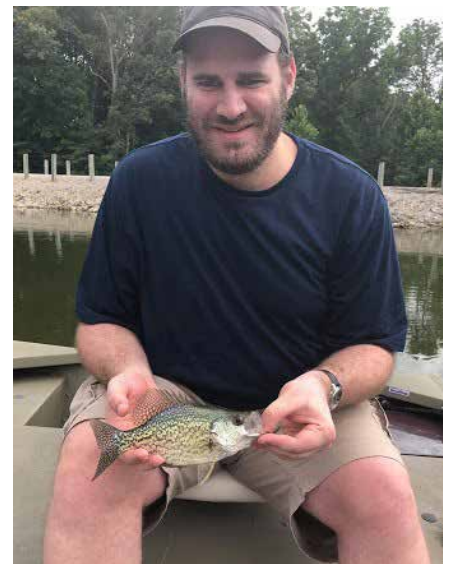

Self-employment has given Kevin quite a bit of flexibility, which is evident from the list of things that he does in serving at Tab. Currently a Deacon, Kevin serves as the Home Communion Coordinator for Tab's shut-ins. When home communion was halted as a result of the pandemic, Kevin partnered with Dave Streit to "burn" CDs of "Sunday with Tab," the 30 minute weekly broadcast of our sermon which airs at 6:30 am on Sundays on WIBC 93.1FM radio. These CDs along with bulletins and notes, get mailed to Tab members who are unable to access worship through our YouTube live stream.

Both Kevin and Tom have been active members in the Saturday morning Men's Bible Study. In addition, they have been quietly serving behind the scenes for the Open Door Soup Kitchen. Tab receives supplies from Gleaners each month in order to provide food supplies for Open Door. Kevin and Tom have been part of the "receiving" team in moving the hundreds of pounds of food each month from the parking lot door to the kitchen storage areas. You can also find Kevin at the audio station in the Sanctuary on some Sunday mornings, serving as a media team volunteer.

During their time worshipping at a Zionsville church, Tom and Kevin became acquainted with Fort Wilderness www.fortwilderness.com, a Christian camp located in the North Woods of Wisconsin. Open year-round, the camp is designed for both youth and families. Tom has spent many summers at the camp, both as a camper and a staff member. Kevin and Tom are huge fans of the camp and look forward to future visits. They would love for other members of the Tab family to have the opportunity to experience the camp as well. It's a long drive, but so worth it.

Mozel Sanders Thanksgiving Dinner 2020

Story by Terri Thorn, Missions Director

Keeping the Moxel Sanders Thanksgiving Meal tradition in the midst of a pandemic has become a challenge for the organizers of this great community effort, particularly since COVID-19 precautions at Butler University preclude the use of their commercial kitchen this year. As a result, the Moxel Sanders Foundation is recruiting new satellite kitchen sites similar to Tab's to help prepare to-go meals. In addition, all current partner sites are being asked to increase their production in an effort to make up for the loss of those dinners typically prepared at the central location at Butler.

So, what does all of this mean for the annual Moxel Sanders Dinner on Thanksgiving Day at Tab? First and foremost, it means we will respond with a stepped-up meal production. In fact, we plan to nearly double our typical meal count by providing somewhere between 1500 - 2000 dinners. It also means that our annual event will undergo some necessary changes.

This Thanksgiving we will scale back our hospitality efforts in order to focus on the extra meal preparation while still promoting public health safety. Sadly, this means we will not offer "commodity" bags, nor will we invite guests into the building for pie, coffee and conversation. Furthermore, we will NOT run deliveries from our kitchen. There will be no need for pie donations from the congregation, and we will deploy our volunteers differently.

The specific volunteer needs are still being configured, but we anticipate that the operation will only require approximately ten "hands-on" volunteer positions including: assisting with food prep, dishing food into to-go containers, washing dishes, bagging the meals, and distributing to our neighbors from the portico. More information about specific volunteer opportunities and duties, including shifts for service, will be forthcoming in early November. Please note, all volunteers will be expected to follow Tab's coronavirus safety precautions

including social distancing and wearing masks at all times. Finally, we do not foresee opportunities for children to serve this year.

While this is understandably disappointing for Tab family members who include serving at the Moxel Sanders Dinner as part of their Thanksgiving tradition, it is, truly, the very best way we can assist the Sanders family this year. They need us to provide meals to be picked up in a safe, low-contact drive-thru manner in our parking lot and to prepare additional ones to be taken to Butler for similar distribution from there. So, with gladness, we will.

With gratitude for all who have served in years past, we look forward to returning to our "norm" in 2021!

Missions Report

Blessed to Be a Blessing

Story by Terri Thorn, Missions Director

This morning, the view from the best office in the building looks very cold and dreary - a reminder that winter weather is on the way. It is also a reminder that winter always poses unique challenges for some of our Open Door neighbors but maybe even more so this year. Thankfully, due to the generosity of our congregation and the creativity of those passionate about Community Ministries, we are gearing up to help our friends meet the challenges ahead.

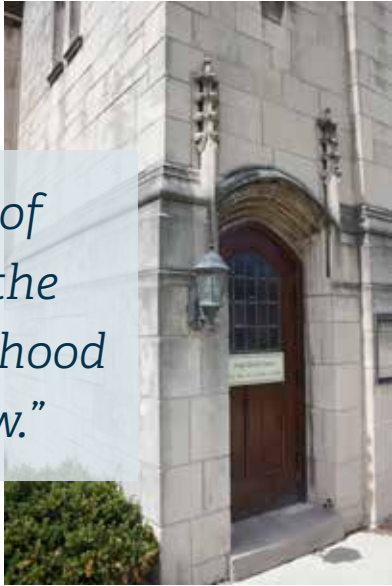

For now, Open Door meals will remain carry-out at the portico, but patio heaters are being added to help provide warmth until we can return to the Dining Room. Tab Community Care will continue to provide emergency utility assistance and bus passes while assisting neighbors with access to other forms of Coronavirus relief. In November and December, we will also begin offering Blessing Days each week.

The idea of blessing the neighbors is not new. We have shared donated goods with them on a regular basis for years. Sometimes there has been an abundance of choice; at other times the pickings have been slim.

This summer, in light of the pandemic, we made a decision to modify our approach to "give-away days." Rather than offering randomly donated items, we have focused on providing specific-need items and personal protection equipment (PPE). This shift has been well-received by our neighbors and has given us an opportunity to re-think how we can share blessings in the colder months ahead.

For the next two months, we are planning to offer Blessing Days once a week. Of course, if an urgent need arises, we have an ample supply of clothing and coats on-hand for the occasional emergency; however, moving forward, our focus will be to help meet specific personal-item needs for neighbors, based on what they've identified for us as helpful rather than funneling random donations.

We also believe that this new approach provides greater clarity for the Tab family about which donation items are most welcomed and needed, hopefully making it easier for folks to share their generosity with our neighbors in way that is truly beneficial. We look forward to receiving donations for the Blessing Days ahead. Items may be brought to the church during office hours until the end of the year, at which time we will re-evaluate this new approach.

"The idea of blessing the neighborhood is not new."

ADVENT WORKSHOP

This year's Advent Workshop will take place on December 6, from 9:00-10:00 or 11:00 until noon in Lower Level B and Lower Level A. Due to the pandemic, the Advent Workshop will look a bit different than in previous years. We'll have five crafts for older children and adults, all pre-packaged in advance. There will be limited (and frequently disinfected) shared craft materials (paint pens, quick-set glue, markers, scissors, etc.) available if you'd like to do your crafts in person (socially distanced and wearing masks, of course) OR you can take your craft bag home to work on. **Reservations are required** for either the 9:00 Workshop session or the 11:00 Workshop session. Email Jennifer Wirt at jennifer.wirt@tabpres.org to reserve your spot.

"JUST FOR MOMS" MINI-WORKSHOP

All Tab moms are invited to attend a special night of crafts and fellowship on Wednesday, December 2, from 6:30 pm to 8:30 pm in Lower Level B. We will have several crafts from the larger Advent Workshop available to do in a child-free environment, as well as dessert and holiday music. **Reservations are required** and space is limited to 20 participants. We will be observing the social distancing and mask requirements currently in place for all Tab events. OPERATION CHRISTMAS CHILD

Children's Ministries is partnering again with the Samaritan's Purse organization for "Operation Christmas Child" this holiday season. Tab's families are encouraged to participate by filling a shoebox with small toys, games, toiletries, and small clothing items (hats, gloves, etc.) that will be sent to children in developing countries to share the celebration of Christ's birth. Anyone who would like to participate can pick up a box at the Front Desk during the week or in the Narthex on Sunday mornings beginning October 25. The packages must be back at Tab by November 16 so we can take them to the central collection site on November 18 for mailing overseas. If you'd like to know more about Operation Christmas Child, their web address is www.samaritanspurse.org/what-we-do/operation-christmas-child.

READ THROUGH THE BIBLE

Members and friends of Tab are reading through the Bible. This beautiful discipline takes only a few minutes a day, so we encourage you to participate, whether this is your first time through or you are a through-the-Bible veteran. You can find the plan at <https://tabpres.org/wp-content/uploads/2020/02/read-bible-2020.pdf>.

OFFICE CLOSED

Tab church offices will be closed on November 26 and 27, in observance of the Thanksgiving Holiday.

Then and Now

Hey! What's for dinner? Over the past several months, grocery stores have noticed a surge in cooking staples leaving their stores due mostly to the increase of home cooking during the Covid pandemic! It has been a time to try new recipes and new techniques from barbecuing to baking! One of the highlights that was included in Tab's new building in 1923 was a modern, unprecedented, state of the art kitchen.

Maybe you would like to try this delicious entrée with your family that was included in the recipes found

in *The Tabernacle Presbyterian Cook Book* published by the Tabernacle Auxiliary in 1922. Let us know how it turns out!

PRESSED MEAT

Two pounds veal, 1 pound pork, 1½ doz. eggs

Cook veal and pork until thoroughly tender, having it well seasoned. Hard boil the eggs. Grind the meat and make a layer in the bottom of the pan. Grind yolks of eggs and spread on top of the meat. Grind the whites of eggs and spread on yolks, seasoning well, and add another layer of meat. Moisten well with the liquid in which meat was cooked and cover with a net cloth and press.

Voila! A dish fit for even the pickiest of eaters!!!

FORMER TAB SOCCER COACHES WIN SECTIONAL!

Willis Overton and Jonathan Tinajero both coached Tab Recreation teams during the 2019 soccer season. Their background as former college players and their enthusiasm for teaching kids soccer and the love of Jesus made them the perfect Tab soccer coaches. Unfortunately for us but a blessing for Bethesda Christian school, Jonathan accepted a head coach position for their boys' varsity team and Willis accepted the position of an assistant coach. In their first year as high school coaches, they led the Bethesda Christian Patriots to a Sectional Championship! Congratulations to both of these exceptional young men and thanks to Todd Townsend of Fellowship of Christian Athletes for introducing both of them to Tab.

Jesus said , "I am the resurrection and the life.
He who believes in Me will live, even though he dies;
and whoever lives and believes in Me will never die."

JOIN US FOR MUSIC AND MEDITATION IN THE SANCTUARY

In an effort to provide more opportunities for the Tab family to spend time in our beautiful Sanctuary, we invite you to join us for Music and Meditation in the Sanctuary. On Wednesday, November 4, at 1:00 pm, we will host a 30-minute concert of inspirational music by our Music Minister, Matt Kauffman. Reservations are required by notifying Paula Daum at paula.daum@tabpres.org or (317) 923-5458, ext. 104. Masks will be required for all attendees, and social distancing protocols will be in place.

ADULT EDUCATION

Beginning on Thursday, November 5, at 6:30 pm, Adult Education will offer a class on Jonah, the picture of a man on the run. Instead of showing mercy, he determined to keep God's grace to himself rather than sharing it with those he considered undeserving. This course offers a glimpse into the conflict that occurs when God calls us to His mission, but we are resistant or unsure of the next steps. If God could transform the heart of Jonah, I am sure God could change ours to see the underserving as vessels of God's love. Please contact Rev. Oscar Clavel (oscar.clavel@tabpres.org) for more information and to make your reservation for this class.

WE'RE OFFERING AN ONLINE INQUIRERS' CLASS

An online Inquirers' class will be offered on Saturday, November 14, from 9:00 am to 11:00 am on Zoom. This class is for anyone interested in knowing more about the mission and ministry of Tab or is considering church membership. The class will be led by John Gable and Oscar Clavel. Those participating in the class will be invited to become members of Tab, but membership is optional. For more information contact Paula Daum at paula.daum@tabpres.org or call (317) 923-5458, ext. 104.

UMOJA PARTNERSHIP'S INTERFAITH THANKSGIVING DINNER

On Sunday, November 15, at 5:00 pm, enjoy fellowship, faith and project updates during Umoja's annual celebration - virtual this year due to the pandemic. The featured speaker this year is Dr. Joseph Mamlin from the Indiana University, Moi University partnership (AMPATH), who has 20 years of experience working in Kenya. The evening includes recipes for Kenyan meals, an online silent auction, inspiring presentations and live segments. Your \$50 ticket will help cover food for a family this fall, and a year of school lunch for a Kenyan child. Reserve your ticket and get details on how to watch at umojapartnership.org, and click on "Get Involved."

OUR DEEPEST SYMPATHY
